HBR's 10 Must Reads Collection (12 Books) Harvard Business Review 2014-12-16 This essential, comprehensive digital collection delivers the entire 12 books of the HBR's 10 Must Reads series with over 120 Harvard Business Review articles. With this essential collection from Harvard Business Review, you'll have the best management ideas and advice all in one place. Now offered as a comprehensive digital compilation, this set includes the entire library of Harvard Business Review articles (more than 120 of them) found in the HBR 10 Must Reads book series. From leadership and strategy to innovation and marketing, no other collection offers the top thinking from global experts on today's most essential management topics. The collection includes must-have articles on the following topics: Leadership, Managing Yourself, Strategy, Managing People, Change Management, Communication, Innovation, Making Smart Decisions, Teams, Collaboration, and Strategic Marketing. In addition, you'll get articles from the foundational HBR's 10 Must Reads: The Essentials, which offers seminal pieces chosen by the editorial team at Harvard Business Review. Each book is packed with enduring advice from the best minds in business such as: Michael Porter, Clayton Christensen,

Peter Drucker, John Kotter, Daniel Goleman, Jim Collins, Ted Levitt, Gary Hamel, W. Chan Kim, Renée Mauborgne and much more. The HBR's 10 Must Reads Collection includes: HBR's 10 Must Reads: The Essentials This book brings together the best thinking from management's most influential experts. Once you've read these definitive articles, you can delve into each core topic the series explores: managing yourself, managing people, leadership, strategy, and change management. HBR's 10 Must Reads on Managing Yourself The path to your professional success starts with a critical look in the mirror. Here's how to stay engaged throughout your 50-year work life, tap into your deepest values, solicit candid feedback, replenish your physical and mental energy, and rebound from tough times. This book includes the bonus article "How Will You Measure Your Life?" by Clayton M. Christensen. HBR's 10 Must Reads on Managing People Managing your employees is fraught with challenges, even if you're a seasoned pro. Boost their performance by tailoring your management styles to their temperaments, motivating with responsibility rather than money, and fostering trust through solicited input. This book includes the bonus article "Leadership That Gets Results," by Daniel Goleman. HBR's 10 Must Reads on Leadership Are you an extraordinary leader—or just

a good manager? Learn how to motivate others to excel, build your team's confidence, set direction, encourage smart risk-taking, credit others for your success, and draw strength from adversity. This book includes the bonus article "What Makes an Effective Executive," by Peter F. Drucker. HBR's 10 Must Reads on Strategy Is your company spending too much time on strategy development, with too little to show for it? Discover what it takes to distinguish your company from rivals, clarify what it will (and won't) do, create blue oceans of uncontested market space, and make your priorities explicit so employees can realize your vision. This book includes the bonus article "What Is Strategy?" by Michael E. Porter. HBR's 10 Must Reads on Change Management Most companies' change initiatives fail—but yours can beat the odds. Learn how to overcome addiction to the status quo, establish a sense of urgency, mobilize commitment and resources, silence naysayers, minimize the pain of change, and motivate change even when business is good. This book includes the bonus article "Leading Change," by John P. Kotter. HBR's 10 Must Reads on Innovation To innovate profitably, you need more than just creativity. Learn how to decide which ideas are worth pursuing, innovate through the front lines, tailor your efforts to meet customer's needs, and avoid

classic pitfalls. This book includes the bonus article “The Discipline of Innovation” by Peter F. Drucker. HBR’s 10 Must Reads on Communication
The best leaders know how to communicate clearly and persuasively. From connecting with the audience and establishing credibility to inspiring others to carry out your vision, get the skills you need to express your ideas with clarity and impact—no matter what the situation. This book includes the bonus article “The Necessary Art of Persuasion” by Jay A. Conger. HBR’s 10 Must Reads on Collaboration
Join forces with others inside and outside your organization to solve your toughest problems. Learn how to forge strong relationships, build a collaborative culture, and manage conflict wisely. This book includes the bonus article “Social Intelligence and the Biology of Leadership” by Daniel Goleman and Richard Boyatzis. HBR’s 10 Must Reads on Strategic Marketing
Reinvent your marketing by putting it—and your customers—at the center of your business. Leading experts provide the insights and advice you need to figure out what business you’re really in, uncover your brand’s strengths and weaknesses, and end the war between sales and marketing. This book includes the bonus article “Marketing Myopia” by Theodore Levitt. HBR’s 10 Must Reads on Making Smart Decisions
Discover why bad decisions happen

to good managers—and how to make better ones. Get the skills you need to make bold decisions that challenge the status quo, support your decisions with data, and foster and address constructive criticism. This book includes the bonus article “Before You Make that Big Decision ...” by Daniel Kahneman, Dan Lovallo, and Olivier Sibony. HBR’s 10 Must Reads on Teams Most teams underperform. Yours can beat the odds. Learn how to boost team performance through mutual accountability, motivate large, diverse groups to tackle complex projects, and increase your teams’ emotional intelligence. This book includes the bonus article “The Discipline of Teams” by John R. Katzenbach and Douglas K. Smith. About the HBR’s 10 Must Reads Series: HBR’s 10 Must Reads series is the definitive collection of ideas and best practices for aspiring and experienced leaders alike. These books offer essential reading selected from the pages of Harvard Business Review on topics critical to the success of every manager. Each book is packed with advice and inspiration from the best minds in business.

Think Again Sydney Finkelstein 2009-02-03 Why do smart and experienced

leaders make flawed, even catastrophic, decisions? Why do people keep believing they have made the right choice, even with the disastrous result staring them in the face? And how can you be sure you're making the right decision--without the benefit of hindsight? Sydney Finkelstein, Jo Whitehead, and Andrew Campbell show how the usually beneficial processes of the human mind can become traps when we face big decisions. The authors show how the shortcuts our brains have learned to take over millennia of evolution can derail our decision making. Think Again offers a powerful model for making better decisions, describing the key red flags to watch for and detailing the decision-making safeguards we need. Using examples from business, politics, and history, Think Again deconstructs bad decisions, as they unfolded in real time, to show how you can avoid the same fate.

Harvard Business Review's 10 Must Reads on Making Smart Decisions 2013

HBR's 10 Must Reads on Communication, Vol. 2 (with bonus article

"Leadership Is a Conversation" by Boris Groysberg and Michael Slind)

Smart Choices John S. Hammond 2015-07-21

Become confident in your choices. Where should I live? Is it time to get a new job? Which job candidate should I hire? What business strategy should I pursue? We spend the majority of our lives making decisions, both big and small. Yet, even though our success is largely determined by the choices that we make, very few of us are equipped with useful decision-making skills. Because of this, we often approach our choices tentatively, or even fearfully, and avoid giving them the time and thought required to put our best foot forward. In Smart Choices, John

Hammond, Ralph Keeney, and Howard Raiffa—experts with over 100 years of experience resolving complex decision problems—offer a proven, straightforward, and flexible roadmap for making better and more impactful decisions, and offer the tools to achieve your goals in every aspect of your life. Their step-by-step, divide-and conquer approach will teach you how to:

- Evaluate your plans
- Break your potential decision into its key elements
- Identify the key drivers that are most relevant to your goals
- Apply systematic thinking
- Use the right information to make the smartest choice

Smart Choices doesn't tell you what to decide; it tells you how. As you routinely use the process, you'll become more confident in your ability to make decisions at work and at home. And, more importantly, by applying its time-tested methods, you'll make better decisions going forward. Be proactive. Don't wait until a decision is forced on you—or made for you. Seek out decisions that advance your long-term goals, values, and beliefs. Take charge of your life by making Smart Choices a lifetime habit.

HBR's 10 Must Reads on Communication (with featured article "The Necessary Art of Persuasion," by Jay A. Conger) Harvard Business Review 2013-03-12 The best leaders know how to communicate clearly and

persuasively. How do you stack up? If you read nothing else on communicating effectively, read these 10 articles. We've combed through hundreds of articles in the Harvard Business Review archive and selected the most important ones to help you build your company for enduring success. Leading experts and practitioners such as Clayton Christensen, Marc Andreessen, and Reid Hoffman provide the insights and advice that will inspire you to:

- Understand what makes entrepreneurial leaders tick
- Know what matters in a great business plan
- Adopt lean startup practices such as business model experimentation
- Be prepared for the race for scale in Silicon Valley
- Better understand the world of venture capital--and know what you'll get along with VC funding
- Take an alternative approach to entrepreneurship: buy an existing business and run it as CEO

This collection of articles includes "Hiring an Entrepreneurial Leader," by Timothy Butler; "How to Write a Great Business Plan," by William A. Sahlman; "Why the Lean Start-Up Changes Everything," by Steve Blank; "The President of SRI Ventures on Bringing Siri to Life," by Norman Winarsky; "In Search of the Next Big Thing," an interview with Marc Andreessen by Adi Ignatius; "Six Myths About Venture Capitalists," by Diane Mulcahy; "Chobani's Founder on Growing a Start-Up Without Outside Investors," by Hamdi Ulukaya; "Network Effects Aren't Enough," by Andrei

Hagiu and Simon Rothman; "Blitzscaling," an interview with Reid Hoffman by Tim Sullivan; "Buying Your Way into Entrepreneurship," by Richard S. Ruback and Royce Yudkoff; and "The Founder's Dilemma," by Noam Wasserman.

HBR's 10 Must Reads on Strategy (including featured article "What Is Strategy?" by Michael E. Porter) Harvard Business Review 2011-02-08 Is your company spending too much time on strategy development—with too little to show for it? Thrive Arianna Huffington 2014-03-25 In Thrive, Arianna Huffington makes an impassioned and compelling case for the need to redefine what it means to be successful in today's world. Arianna Huffington's personal wake-up call came in the form of a broken cheekbone and a nasty gash over her eye--the result of a fall brought on by exhaustion and lack of sleep. As the cofounder and editor-in-chief of the Huffington Post Media Group--one of the fastest growing media companies in the world--celebrated as one of the world's most influential women, and gracing the covers of magazines, she was, by any traditional measure, extraordinarily successful. Yet as she found herself going from brain MRI to CAT scan to echocardiogram, to find out if there was any underlying

medical problem beyond exhaustion, she wondered is this really what success feels like? As more and more people are coming to realize, there is far more to living a truly successful life than just earning a bigger salary and capturing a corner office. Our relentless pursuit of the two traditional metrics of success--money and power--has led to an epidemic of burnout and stress-related illnesses, and an erosion in the quality of our relationships, family life, and, ironically, our careers. In being connected to the world 24/7, we're losing our connection to what truly matters. Our current definition of success is, as Thrive shows, literally killing us. We need a new way forward. In a commencement address Arianna gave at Smith College in the spring of 2013, she likened our drive for money and power to two legs of a three-legged stool. They may hold us up temporarily, but sooner or later we're going to topple over. We need a third leg--a third metric for defining success--to truly thrive. That third metric, she writes in Thrive, includes our well-being, our ability to draw on our intuition and inner wisdom, our sense of wonder, and our capacity for compassion and giving. As Arianna points out, our eulogies celebrate our lives very differently from the way society defines success. They don't commemorate our long hours in the office, our promotions, or our sterling PowerPoint presentations as

we relentlessly raced to climb up the career ladder. They are not about our resumes--they are about cherished memories, shared adventures, small kindnesses and acts of generosity, lifelong passions, and the things that made us laugh. In this deeply personal book, Arianna talks candidly about her own challenges with managing time and prioritizing the demands of a career and raising two daughters--of juggling business deadlines and family crises, a harried dance that led to her collapse and to her "aha moment." Drawing on the latest groundbreaking research and scientific findings in the fields of psychology, sports, sleep, and physiology that show the profound and transformative effects of meditation, mindfulness, unplugging, and giving, Arianna shows us the way to a revolution in our culture, our thinking, our workplace, and our lives.

HBR's 10 Must Reads on Managing Yourself (with bonus article "How Will You Measure Your Life?" by Clayton M. Christensen) Harvard Business Review 2011-01-03 The path to your professional success starts with a critical look in the mirror. Learn how to make better; faster decisions. You make decisions every day-- from prioritizing your to-do list to choosing which long-term innovation projects to pursue. But most decisions don't have a clear-cut answer, and assessing the alternatives and the risks involved can be overwhelming. You need a smarter approach to making the best choice possible. The HBR Guide to Making Better Decisions provides practical tips and advice to help you generate more-creative ideas, evaluate your alternatives fairly, and make the final call with confidence. You'll learn how to: Overcome the cognitive biases that can skew your thinking Look at problems in new ways Manage the trade-offs between options Balance data with your own judgment React appropriately when you've made a bad choice Communicate your decision-- and overcome any resistance Arm yourself with the advice you need to succeed on the job, from a source you trust. Packed with how-to essentials from leading experts, the HBR Guides provide smart answers to your most pressing work challenges.

To Be Honest Ron A. Carucci 2021-05-03 Under what conditions will people tell the truth, behave fairly and act with purpose at work? And when will they lie, cheat and be selfish? Based on 15 years of research, To Be Honest

explains how four factors (Clear Identity, Accountability, Governance and Cross-Functional Relationships) affect honesty, justice and purpose within a company. When these factors are absent or ineffective, the organizational conditions compel employees to choose dishonesty and self-interest. But when done well, the organization is 16 times more likely to have people tell the truth, behave fairly and serve a greater good. To Be Honest shares the stories of leaders who have acted with purpose, honesty and justice even when it was difficult to do so. In-depth interviews with CEOs and senior executives from exemplar companies such as Patagonia, Cabot Creamery, Microsoft and others reveal what it takes to build purpose-driven companies of honesty and justice. Interviews with thought leaders like Jonathan Haidt, Amy Edmondson, Dan Ariely and James Detert offer rich insights on how leaders can become more honest and purposeful. You'll learn how Hubert Joly took Best Buy from a company on the brink of bankruptcy to one that is profitable, thriving and purposeful. Filled with real-life examples, To Be Honest offers actionable steps, practical tools and approaches that any leader or manager can use to

create a culture of purpose, honesty and justice.
