Our digital library spans in multiple countries, allowing you to get the most less latency time to download any of our books like this one.

Merely said, the Modern World History Patterns Of Interaction Chapter Notes is universally compatible with any devices to read

## Why you need to use statistics in your research

When we study the spending patterns of households which have, say, three children, then the number of children is a constant. Strictly speaking, in statistical language, when your variables and constants are categorical (we will discuss this more in Chapter 2), for example, eye colour or nationality, they are known as attributes. Discrete and continuous
