Have You Seen These Children? Veronica Slaughter 2020-08-18 Four young children caught between love and hate—hostages to the cruelty of revenge. A deceitful American father and a naïve decision by a Filipino mother transformed their lives forever. Valorie, Veronica, Vance, and Vincent's perfect world turned into a nightmare one hot afternoon in 1959 in Cebu, Philippines. What was to be a quick lunch with their father turned into a flight to America, where four dreadfully long years of running from state to state, hiding, and vanishing into the night followed. Kidnapped from the only world they knew, confusion quickly set in. At nine, Valorie, the eldest, liked seeing their father after his absence for over a year. Vance, a timid six-year-old, went along with whatever Valorie did. Vincent, the baby at three, cried for his

mother while clinging to Veronica for comfort. Veronica, eight, was the only one who was truly panicked by what was happening around them—and she recognized instantly that she and her siblings would have to stick together in order to survive. In that moment, her childhood ended and the warrior within her emerged. Moving from state to state and school to school, avoiding the law, looking over their shoulders at every turn, the four Slaughter children found themselves fighting not only the heartbreak of separation from their loving mother but also poverty, discrimination, and abuse. Their only weapons were their deep love for one another and an unwavering determination to survive the trials they faced—and find their way back to their mother.

One Thinking, Volume 1, Part 2 Aeon Downey 2019-12-05 The book title of part 2 is Identity. The heart, mind, and will of God is that we as the peoples around the globe know who God is, understand the love of God in that He deeply and faithfully loves you without bias, and that God wants you to come to a place of sincere faith where you stop running from God and take responsibility for your sins right now! How do we get our identity in the first place? By faith in God (Heb. 11:1-6 and John 3:1-18). Henceforward, it is by faith, trust, and hope in the LORD Jesus Christ (Eph. 2:8-10) by calling upon His holy name (Ps. 18:1-3), confessing (Rom. 10:9-17) and repenting (Prov. 28:13 and Matt. 4:17 and Mark 1:15) of your sins.

True repentance (willfully and decisively forsaking our unholy anti-God thinking, believing, habits, speaking, and behavior) is the fear of the LORD in being sorry for your sins deliberately and turning to God asking for forgiveness while declaring with audible speaking that Jesus Christ is the living Son of God, raised from the grave on the third day. This is salvation, and it is free! Do you know my friend Jesus? Identity found in Christ and explained in Part Two helps us to answer the following critical questions that our teenagers and millions of peoples around the world are asking right now: Who am I? What is my identity? What is my name that no one seems to know or care about? Why was I even born in the first place? Why am I alive today? What's the point to my life, and what is my purpose? Where do I fit in? Where am I? Why should I keep living? Why should I care? Why should I not take all these drugs or slit my wrists/throat right now? Does anyone love me? Does anyone care about me? Does God see me? Does God care about me or love me? Where is God right now? The solution to our global identity crisis is found in the love of God through the cross of Jesus Christ. The power, grace, mercy, and compassion of Christ is the only solution that can even begin to answer the above listed identity questions. The identity scream is horrifying and real! Peoples around the world are screaming in their souls right now: "Just bring me to Jesus!" Only Jesus Christ can fill our souls. Not money, sex, drugs, alcohol, or anything in this world can save our souls from sin or fulfill us with true peace and happiness. Pray before and during the reading of Part Two. Ask God what He wants to do with and through your life (Luke 8:21 and Luke 9:23). Praise the LORD (Ps. 150:1-6).

Evil Games is a must read book, and probably one of the best I will read this year.' Book Addict Shaun 'Silent Scream (Book 1) was quite brilliant. Evil Games (Book 2) is EXCEPTIONAL. Clearly, the current rating system is broken as it's unable to accommodate books of this calibre. So I give you – 6/5' Little Bookness Lane 'Evil Games is a clever, action-packed journey into some of society's darkest places, crackling with

Rise to Power Uvi Poznansky 2014-01-08 Here is the story of David as you have never heard it before: from the king himself, telling the unofficial version, the one he never allowed his court scribes to recount. Rooted in ancient lore, his is a surprisingly modern memoir. Notorious for his contradictions, David is seen by others as a gifted court entertainer, a successful captain in Saul's army, a cunning fugitive, a traitor leading a gang of felons, and a ruthless raider of neighboring towns who leaves no witnesses behind. But how does he see himself, during this first phase of his life? With his hands stained with blood, can he find an inner balance between conflicting drives: his ambition for the crown, his determination to survive the conflict with Saul, and his longing for purity, for a touch of the divine, as expressed so lyrically in his psalms? If you like ancient historical fiction about court intrigue, this king David novel has a modern twist like no book you have read before.

Never Let You Go Monica Murphy 2016-05-03 The second novel in this darkly sexy contemporary series from bestselling author Monica Murphy wraps up an emotionally powerful two-part tale of forbidden love. The truth hurts, they say—and my pain cuts deep. While I was falling for Ethan, he was deceiving me the entire time. He held a huge secret, protected by his lies. When I discovered what he was hiding, the truth shook my world, threatening to ruin us forever. Ruin me. But I soon realized that what we share can't be destroyed. The connection between us is too strong. It always has been. I can't deny him any longer. And I can't deny my truth: I'm in love with Ethan. I don't want to let him go. While we're trying our best to make this relationship work, other forces are fighting against us. My family, who wants to keep me safe. The media obsessed with my tragic past. The public that feeds off of it. Even Ethan's father—the man who nearly destroyed me all those years ago. He's doing his best to finish the job. Despite my love for Ethan, the doubts creep in, clouding my mind. Is he worth the pain? Will our love survive, or will we have no choice but to end it—end us—once and for all?
