Warren Buffett Jordan Baker 2015-10-31 Warren Buffett The Best of Warren Buffett - Life Lessons, Inspiration And Best Quotes Warren Buffett is a man of contradictions. He is alternately a simple man, living in a house that he purchased for \$30,000 back in the 1950s, and a very wealthy one, with a net worth of upwards of 60 billion dollars. He enjoys a good round of the card game bridge (that he sometimes plays with fellow billionaire Bill Gates), and also owns a 4 million dollar beach house in Malibu, California. Despite his wealth, he plans on leaving practically nothing to his children and grandchildren, with the bulk of his estate upon his death going to charity. With all of these contradictions come a great number of lessons to be learned. By paying close attention to the many things that Warren Buffett has said over the years, as well as to his actions, both in and out of the boardroom, a blueprint can be formed for those who want to live a life like his (successful, yet humble.) Here is a preview of what you'll learn: How to enjoy your success, without going completely overboard. Simple, everyday business advice that can be applied to many different industries. The basics of investing, Warren Buffett-style. Patience, and the role that it plays in the business world. FThe importance of philanthropy and giving back some of what you've earned.

Buffett's Tips John M. Longo 2020-12-22 Praise for BUFFETT'S TIPS "John Longo and his son, Tyler, have performed a valuable service, taking the wisdom of Warren Buffett (the supply of which is ample) and distilling from it 100 'tips,' with the authors' own explanatory text, to guide the reader from financial ignorance to a degree of financial literacy. Along the way, there are useful lessons for life in general. If you have a friend, child, or parent who needs a pathway to a better understanding of some financial fundamentals, get this book for them—it'll go a long way to bringing them up to speed." —Simon Lorne, Vice Chairman and Chief Legal Officer, Millennium Management LLC; former Partner, Munger, Tolles & Olson "Priceless. 100 investment and life tips from the Oracle—a great read for the beginning investor." —S. Basu Mullick, retired Portfolio Manager and Managing Director, Neuberger Berman; former General Partner, Omega Advisors; noted value investor; former "Marketwatch Fund Manager of the Year" "John Longo has a well-earned reputation for excellence in teaching at the University level. Working with his son Tyler, John now extends his passion for education out of the classroom and across generations with this guidebook to the essential tools for financial proficiency." —Gregory P.

Francfort, noted value investor; former Institutional Investor "All-Star Analyst" "John and his son have written an invaluable guide steeped in the wisdom of Warren Buffett. The Essays of Warren Buffett Warren Buffett 2021 As in previous editions of The Essays of Warren Buffett, this one retains the architecture and philosophy of the original edition but adds selections from Warren Buffett's most recent annual shareholder letters. All the letters are woven together into a fabric that reads as a complete and coherent narrative of a sound business and investment philosophy. As an aid to all readers, and to enable readers of the previous editions to see what is new in this one, a disposition table at the end of the book shows the various places in this collection where

selections from each year's letter appear. Footnotes throughout indicate the year of the annual report from which essays are taken. To avoid interrupting the narrative flow, omissions of text within excerpts are not indicated by ellipses or other punctuation. This new edition is called for not because anything has changed about the fundamentals of Buffett's sound business and investment philosophy but because articulation of that philosophy is always delivered in the context of contemporary events and business conditions so periodic updating is warranted to maintain its currency

Buffett's Tips John M. Longo 2020-11-24 Praise for BUFFETT'S TIPS "John Longo and his son, Tyler, have performed a valuable service, taking the wisdom of Warren Buffett (the supply of which is ample) and distilling from it 100 'tips,' with the authors' own explanatory text, to guide the reader from financial ignorance to a degree of financial literacy. The Snowball Alice Schroeder 2009-09-16 Shortlisted for the Financial Times and Goldman Sachs Business Book of the Year Prize 2008 The Snowball is the first and will be the only biography of the world's richest man, Warren Buffett, written with his full cooperation and collaboration. Combining a unique blend of "The Sage of Omaha's" business savvy, life story and philosophy, The Snowball is essential reading for anyone wishing to discover and replicate the secrets of his business and life success. Warren Buffett is arguably the world's greatest investor. Even as a child he was fascinated by the concept of risk and probability, setting up his first business at the age of six. In 1964 he bought struggling Massachusetts textile firm Berkshire Hathaway and grew it to be the 12th largest corporation in the US purely through the

exercise of sound investing principles - a feat never equalled in the annals of business. Despite an estimated net worth of around US\$62 billion, Buffett leads an intriguingly frugal life taking home a salary of only £50,000 a year. His only indulgence is a private jet, an extravagance he wryly acknowledges by calling it "The Indefensible". In 2006, he made the largest charitable donation on record, with most of it going to the Bill & Melinda Gates Foundation. The Snowball provides a comprehensive, richly detailed insight into one of the world's most extraordinary and much loved public figures.

Warren Buffett: the Life, Lessons and Rules for Success Influential Individuals 2017-07-15 Warren Buffett: The Life, Lessons & Rules For Success He's been consistently voted one of the wealthiest people in the world. Time Magazine also voted him as one of the most influential people in the world; widely considered to be the most successful investor of the entire 20th century. In short, Warren Buffett is a boss. The man knows a thing or two about success. With a net worth of \$77.1 billion, the billionaire investor's fabled business acumen has inspired everything from investment books to college courses. He is known to favor long-term investment strategies, like dollar cost averaging, which encourages the regular purchase of the same investment over time. He also has long-standing holdings in the Coca-Cola Company, Apple, and American Express among others. His now infamous letters to Berkshire Hathaway shareholders help shed light into how the man they call the "Oracle of Omaha," reads the tealeaves. This book takes a look at Buffett's life. From humble beginnings in Omaha, up to present day where the 86 year old is still going strong. We take a look at his first taste of business at the ripe old age of 6, following on with his major successes and failures along the way. The aim of this book is to be educational and inspirational with actionable principles you can incorporate into your own life straight from the great man himself. *INCLUDING* 25 Most Memorable Quotes & 15 Success Principles to Live by Don't wait, grab your copy today!

Warren Buffett: Top 10 Life Rules from Warren Buffett for Unlimited Success and Prosperity Chad Cooper 2015-08-10 Warren Buffett: Top 10 Life Rules From Warren Buffett For Unlimited Success And Prosperity Many books have claimed it many times before, but this book is about success. Not just the success that Warren Buffet has attained, but the same success that me and you can attain if we would just follow these 10 basic life rules that Mr. Buffet has tested out for himself over decades of successful business investment. Straight from the mouth of the financial guru himself these were the ten rules that he lived by the entire time of his meteoric rise to success. As well as highlighting these basic principles that Buffet has come to live by, this book also serves as a biography of sorts following the life of this business and investing tycoon, gathering the testimony of the wealth as well as success that this man has single handedly accumulated through the years. Giving you a ring-side seat as Buffet Demonstrates his own ideas, principles and theories in action.

This book takes you right through the meager beginnings as a Newspaper Boy and Pin Ball entrepreneur multiplying his money through neighbors and barbershops to his massive future investments in American Express, GEICO, and even his philanthropic efforts for the Bill and Melinda Gates foundation. This book runs the gamut of Warren Buffett's rise and continued persistence in as multiplying his money. This book outlines a man's life that epitomized the American dream of molding and shaping a destiny with your own bare hands. Warren took his big ideas and wrapped them around the most meager of beginnings to create an empire. It is a story that should be inspirational to us all, because Warren Buffett's story of success is our own story as well. Download your E book "Warren Buffett: Top 10 Life Rules From Warren Buffett For Unlimited Success And Prosperity" by scrolling up and clicking "Buy Now with 1-Click" button! Tags: warren buffet biography, business success, The Essays of Warren Buffett, Lessons for Corporate America, Warren Buffett's 3 Favorite Books, A guide to The Intelligent Investor, Security Analysis, and The Wealth of Nations, Warren Buffett and the Interpretation of Financial Statements, The Search for the Company with a Durable Competitive Advantage, Warren Buffett Accounting Book, Reading Financial Statements for Value Investing Think, Act, and Invest Like Warren Buffett: The Winning Strategy to Help You Achieve Your Financial and Life Goals Larry Swedroe 2014-03-07 Bedrock investing principles for profiting in today's shaky markets If you wanted to create the next earth-shattering consumer product, Steve Jobs would be an ideal role model to follow. If you planned to become a great golfer, you might look to Arnold Palmer or Jack Nicklaus. So, if your goals were to outperform other investors and achieve your life's financial goals, what should you do? Think, act and invest like the best investor out there: Warren Buffett. While you can't invest exactly like he does, Think, Act, and Invest Like Warren Buffett provides a solid, sensible investing approach based on Buffett's advice regarding investment strategies. When it comes to investing, Director of Research for the BAM Alliance and CBS News blogger Larry Swedroe has pretty much seen it all—and he's come to the conclusion that simple is better, that adopting basic investing principles always increases an investor's chance of success and that Buffett is the perfect model for such investing. In Think, Act, and Invest Like Warren Buffett, Swedroe provides the foundational knowledge you need to: Develop a financial plan to help you make rational decisions on a consistent basis Determine the level of risk that's right for you and allocate your assets accordingly Create a strong portfolio that will weather any economic storm Manage your portfolio—rebalance periodically to maintain proper risk levels The beauty of the Buffett approach is its profound simplicity: follow the basics, keep your cool, and have a sense of humor. The market volatility of recent years has ushered in armies of economists, forecasters and other so-called experts whose job it is to explain how everything works. Somehow, they have managed to muddy the waters even more. The truth is, investing is

easier than you think—even in today’s economy. “Complex problems can have simple solutions,” Swedroe writes. Think, Act, and Invest Like Warren Buffett helps you go back to the basics—so you can leap in front of the investing pack. Praise for Think, Act, and Invest Like Warren Buffett: “You could not spend a more profitable hour than reading Larry Swedroe’s wise and lucid investment guide.” —Burton Malkiel, author, *A Random Walk Down Wall Street* “If you’ve been wondering why you’ve had such a hard time investing well, *Playing the Winner’s Game* will diagnose your ills and treat them in just ninety short, delightful pages.” —William Bernstein, author, *A Splendid Exchange* and *The Investor’s Manifesto* “Follow the investment strategy advocated by Larry Swedroe, and free yourself to spend your time on life’s treasures—like your family and friends!” —William Reichenstein, professor, Baylor University “As someone who teaches a college investments course, I would not have thought it possible to do what Swedroe has done in such a short concise book.” —Edward R. Wolfe, professor of finance, Western Kentucky University “It’s amazing. Larry Swedroe managed to pen a magnificent book not only chock full of actionable advice, but one that’s fun to read. Get a copy and treat yourself to a better financial future.” —Harold Evensky, president, Evensky & Katz “Larry Swedroe is the undisputed expert in helping investors manage portfolios the smart way. His new book, *Playing the Winner’s Game*, combines all facets of wealth management in an inspiring and powerful manner.” —Bill Schultheis, author, *The New Coffeehouse Investor*

The Oracle Speaks: Warren Buffett In His Own Words David Andrews 2012-11-19 From his office in Omaha, Nebraska, without even the benefit of a computer, Warren Buffett has racked up an investment record that far surpasses his counterparts on Wall Street—or anyone else in the world, for that matter. While traditionally stock exchanges have returned about 11 percent annually in the past half century, Buffett’s investments have by nearly 29 percent a year, solidifying Buffett’s conglomerate holding company, Berkshire Hathaway, as the eighth-largest business in the world and netting him \$44 billion along the way. Despite this tremendous success, “the Oracle of Omaha” remains modest. He acknowledges that he has a unique ability to evaluate businesses, but he doesn’t feel entitled to the vast wealth that ability has earned him. Instead, he likes to say that he was born at the right place and time. This humility in the face of proven talent and innumerable wealth is part of what makes Buffett universally popular—he is one of the world’s wealthiest men and yet he is still personable and relatable. For the first time, the most thought-provoking and inspiring quotes from Buffett are now compiled in a single book. *The Oracle Speaks: Warren Buffett in His Own Words* is a comprehensive guidebook to the inner workings of the Berkshire Hathaway chairman. Hundreds of Buffett’s best quotes, comprising thoughts on investing, Wall Street, business, politics, taxes, and life lessons, will provide the most intimate and direct look into the mind of a modern business icon and give readers enough counsel to last a lifetime. Media outlets,

financial advisers, politicians, and Americans from Main Street to Wall Street hang on every word Buffett speaks, hoping to gain valuable insight into Buffett's investments and successes. There is possibly no greater stamp of approval in the business world than to have Buffett invest in a company, and few leaders in the course of history have commanded such universally agreed-upon respect. Even beyond his business savvy, Buffett is influential as a progressive thinker and active philanthropist, having pledged to give most of his money to charity through the Bill and Melinda Gates Foundation as well as foundations run by his three children. It is this humility that consistently draws people to Buffett, and will draw people to *The Oracle Speaks*. Most recently, inspired by Buffett's New York Times editorial in which he claimed he paid too little in taxes, President Barack Obama and Congress have named a series of tax reforms after Buffett. While the political implications have been controversial, Buffett has retained his reputation as an outspoken and successful business leader. *The Oracle Speaks* draws from decades of interviews, editorials, and annual shareholder reports, amassing the most complete outline of how Buffett believes a good business is run and a good life is led. It's advice that Buffett has successfully adhered to throughout his 80-plus years, and it is advice now available in the succinct, poignant, gift-friendly package of *The Oracle Speaks*.

Warren Buffett Book of Investing Wisdom Robert L. Bloch 2021-06-01 Compiled by the son of the cofounder of H&R Block, a collection of business quotes and advice from the most successful investor of the twentieth century, Warren Buffett. Warren Buffett, chairman and CEO of Berkshire Hathaway, is widely considered the most successful investor of the twentieth century. Since the early 1950s, Buffett has proved himself to be an astute investor, and he turned Berkshire Hathaway from a struggling small textile business into the tenth-largest public company in the world, valued at more than \$600 billion. Buffett is well known for his simple but invaluable principles regarding investing and finances, and countless businessmen and people looking to be smarter with their money and their investments have turned to Buffett for his advice. One of those people is Robert Bloch, son of the cofounder of the tax preparation company H&R Block. The Warren Buffett Book of Investing Wisdom contains 350 quotes that Bloch has personally found to be indispensable to financial success. With the written blessing of Buffett himself, Bloch has selected the best of Buffett, wisdom that will guide you to becoming the most disciplined and rational long-term investor you can be.

Inside the Investments of Warren Buffett Yefei Lu 2016-08-09 Since the 1950s, Warren Buffett and his partners have backed some of the twentieth century's most profitable, trendsetting companies. But how did they know they were making the right investments? What did Buffett and his partners look for in an up-and-coming company, and how can others replicate their approach? A gift to Buffett followers who have long sought a pattern to the investor's success, *Inside the*

Investments of Warren Buffett presents the most detailed analysis to date of Buffet's long-term investment portfolio. Yefei Lu, an experienced investor, starts with Buffett's interest in the Sanborn Map Company in 1958 and tracks nineteen more of his major investments in companies like See's Candies, the Washington Post, GEICO, Coca-Cola, US Air, Wells Fargo, and IBM. Accessing partnership letters, company documents, annual reports, third-party references, and other original sources, Lu pinpoints what is unique about Buffett's timing, instinct, use of outside knowledge, and postinvestment actions, and he identifies what could work well for all investors in companies big and small, domestic and global. His substantial chronology accounts for broader world events and fluctuations in the U.S. stock market, suggesting Buffett's most important trait may be the breadth of his expertise.

Richer, Wiser, Happier William Green 2021-04-29 'A brilliant book packed with powerful insights from the world's most successful investors' Tony Robbins 'A profound, eloquent, and much-needed call for a reassessment of how we build our portfolios and live our lives' Stig Brodersen 'A classic ... for generations, will define what it means to be a better investor and a better human' Guy Spier Billionaire investors. If we think of them, it's with a mixture of awe and suspicion. Clearly, they possess a kind of genius - the proverbial Midas Touch. But are the skills they possess transferable? And would we really want to be them? Do they have anything to teach us besides making money? In Richer, Wiser, Happier, award-winning journalist William Green has spent nearly twenty-five years interviewing these investing wizards and discovered that their talents expand well beyond the financial realm and into practical philosophy. Green ushers us into the lives of more than forty of the world's super-investors, visiting them in their offices, vacation homes, and even their places of worship - all to share what they have to teach us. Green brings together the thinking of some of the best investors, from Warren Buffett to Howard Marks to John Templeton, and provides gems of insight that will enrich you not only financially but also professionally and personally.

Rule #1 Phil Town 2006-03-21 #1 NEW YORK TIMES BESTSELLER • “The clearest and best book out there to get you on the path to riches. This one’s special!”—Jim Cramer, host of CNBC’s Mad Money “Great tools for anyone wanting to dabble in the stock market.”—USA Today Phil Town is a very wealthy man, but he wasn’t always. In fact, he was living on a salary of \$4,000 a year when some well-timed advice launched him down a highway of investing self-education that revealed what the true “rules” are and how to make them work in one’s favor. Chief among them, of course, is Rule #1: “Don’t lose money.” In this updated edition to the #1 national bestseller, you’ll learn more of Phil’s fresh, think-outside-the-box rules, including: • Don’t diversify • Only buy a stock when it’s on sale • Think long term—but act short term to maximize your return • And most of all, beat the big investors at their own game by using the tools designed for them! As Phil demonstrates in these pages, giant mutual funds can’t help but regress to the mean—and as we’ve all learned in recent years, that mean could be very disappointing indeed. Fortunately, Rule #1 takes readers step-by-step through a do-it-yourself process, equipping even the biggest investing-phobes with the tools they need to make quantum leaps toward financial security—regardless of where the market is headed.

The Warren Buffett Way Robert G. Hagstrom 1997-04-07 Describes the investment strategies of the world's most famous stock investor, recounting how he made a fortune by purchasing pieces of outstanding companies since the early 1980s Warren Buffett Mike Jellick 2015-03-30

Warren Buffett Kimberly Hall 2015-03-30

One Thousand Ways to Make \$1000 F. C. Minaker 2017-07-11 First published in 1936, One Thousand Ways to Make \$1000 is the long out-of-print book that Warren Buffett's biographers credit with shaping the legendary investor's business acumen and giving him his trademark appreciation of compound interest. After pulling a copy of One Thousand Ways off a library shelf at age eleven and devouring F.C. Minaker's plucky and practical business advice, Buffett declared that he would be a millionaire by the time he was 35. Written in the immediate, conversational style of Dale Carnegie's How to Win Friends and Influence People, this book is full of inventive ideas on how to make money through excellent salesmanship, hard work, and resourcefulness. While some of the ideas may seem quaint today-goat dairying,

manufacturing motor-driven chairs, and renting out billiard tables to local establishments are among the money-making ideas presented- the underlying fundamentals of business explained in these pages remain as solid as they were over seventy years ago. Covering a wide spectrum of topics including investing, marketing, merchandising, sales, customer relations, and raising money for charity, *One Thousand Ways to Make \$1000* is both a durable, classic business book and a fascinating portrait of determined entrepreneurship in Depression-era America. Every effort has been made to reproduce the content exactly as it was originally presented.

Warren Buffett Steve Gold 2015-10-20 Learn The Simple Truths Behind The Success Of The World's Greatest Ever Businessman! Not only does Warren Buffett, the so-called "Sage of Omaha," know how to generate immense wealth, he also has a solid comprehension of how finite and impermanent money can be, and is well aware that there is more to life than being financially wealthy when it comes to lasting happiness. Despite the fact that he has managed to amass a great personal fortune, Buffett embraces the simplicity of daily life, reminding himself from the onset of his career that, while financial means certainly are of importance, there are no greater assets one can possess than good health, as well as remembering that the key to happiness lies in the priceless bonds one creates with friends and family. In this book, we will look at 7 key principles of Buffett's business and personal success by looking more deeply into the meaning of some of his own quotes in order to shed light on: The Importance of Planning For The Future Why You Must Always Do Your "Due Diligence" The Importance Of Patience and Persistence The Beauty Of Simplicity The Importance Of Carefully Selecting Those You Surround Yourself With Knowing When To Cut Your Losses The Value Of Gratitude and Charity You will see that Buffett's take on business and personal success is not so much a result of his strategic investment decisions, but rather that it results from cultivating a number of personality traits essential for navigating the worlds of both commerce and life. Additionally, as Buffett has continuously demonstrated, good character and adherence to moral principles goes a long way in ensuring long-term success, wealth and happiness.

The Psychology of Money Morgan Housel 2020-09-08 Doing well with money isn't necessarily about what you know. It's about how you behave. And behavior is hard to teach, even to really smart people. Money—investing, personal finance, and business decisions—is typically taught as a math-based field, where data and formulas tell us exactly what to do. But in the real world people don't make financial decisions on a spreadsheet. They make them at the dinner table, or in a meeting room, where personal history, your own unique view of the world, ego, pride, marketing, and odd incentives are scrambled together. In *The Psychology of Money*, award-winning author Morgan Housel shares 19 short stories exploring the strange ways people think about money and teaches you how to make better sense of one of life's most important

topics.

Warren Edward Buffet is a legendary investor and one of the most respected businessmen in the world. He is the chairman, CEO and the largest shareholder of Berkshire Hathaway. Among investing legends, Buffett has had the longest track record for beating the market. Berkshire Hathaway's stock price increased by a mind-blowing 1,000,000% between December 1964 and December 2015. The S&P 500, on the other hand, increased by "only" about 2,300% over that time. While the Efficient Market Hypothesis states that in the long term, no investor should be able to beat the market, Buffett has beaten the market in a remarkable way. So what is his secret for being so successful at picking the right stocks? This book will reveal 41 fascinating facts about his life and investing philosophy. Each fact comes with a lesson that the readers can take away On How To Get Rich, Become Successful & Dominate Your Personal Finance From The Greatest Value Investor Of All. The Tao of Warren Buffett Mary Buffett 2006-11-21 A collection of the inspiring words and wisdom from America's favorite businessman that reveal his secrets of success from the bestselling authors of Buffettology and The New Buffettology. Like the sayings of the ancient Chinese philosopher Lao-tzu, Warren Buffett's worldly wisdom is deceptively simple and enormously powerful in application. In The Tao of Warren Buffett, Mary Buffett—author of three books on Warren Buffett's investment methods—joins noted Buffettologist and international lecturer David Clark to bring you Warren Buffett's smartest, funniest, and most memorable sayings with an eye toward revealing the life philosophy and the investment strategies that have made Warren Buffett, and the shareholders of Berkshire Hathaway, so enormously wealthy. Warren Buffett's investment achievements are unparalleled. He owes his success to hard work, integrity, and that most elusive commodity of all, common sense. The quotations in this book exemplify Warren's practical strategies and provide useful illustrations for every investor—large or small—and models everyone can follow. The quotes are culled from a variety of sources, including personal conversations, corporate reports, profiles, and interviews. The authors

provide short explanations for each quote and use examples from Buffett's own business transactions whenever possible to illustrate his words at work. As Warren says: "You should invest in a business that even a fool can run, because someday a fool will." "No matter how great the talent or effort, some things just take time: You can't produce a baby in one month by getting nine women pregnant." "Our method is very simple. We just try to buy businesses with good-to-superb underlying economics run by honest and able people and buy them at sensible prices. That's all I'm trying to do." The Tao of Warren Buffett inspires, amuses, sharpens the mind, and offers priceless investment savvy that anyone can take to the bank. This irresistibly browsable and entertaining book is destined to become a classic.

Warren Buffett George Ilian 2016-09-19 Do you want learn how to invest like Warren Buffett? This book offers an introduction to Buffett, his business success and the lessons that we can learn from him. This is not a text book nor a biography, but more of a cheat sheet for reading on the bus or in the bathroom, so that you can pick out the most significant points without having to carry around a bag of weighty tomes. You can read it all in one sitting, or look up specific case studies as and when you are looking for inspiration or direction. You will learn the most significant skills and qualities that made him the most successful investor ever, plus some of his greatest investing tips.

The Essays of Warren Buffett Lawrence A. Cunningham 2013-03-15 In the third edition of this international best seller, Lawrence Cunningham brings you the latest wisdom from Warren Buffett's annual letters to Berkshire Hathaway shareholders. New material addresses: the financial crisis and its continuing implications for investors, managers and society; the housing bubble at the bottom of that crisis; the debt and derivatives excesses that fueled the crisis and how to deal with them; controlling risk and protecting reputation in corporate governance; Berkshire's acquisition and operation of Burlington Northern Santa Fe; the role of oversight in heavily regulated industries; investment possibilities today; and weaknesses of popular option valuation models. Some other material has been rearranged to deepen the themes and lessons that the collection has always produced: Buffett's "owner-related business principles" are in the prologue as a separate subject and valuation and accounting topics are spread over four instead of two sections and reordered to sharpen their payoff. Warren Buffett Invests Like a Girl The Motley Fool 2011-06-21 *** Wall Street Journal bestseller *** Investing isn't a man's world anymore—and this provocative and enlightening book shows why that's a good thing for Wall Street, the global financial system, and your own personal portfolio. Warren Buffett and all of the women of the world have one thing in common: They are better investors than the average man. It's been proved by psychologists and scientists, and the market calamities of the past two years have only provided more statistical and anecdotal evidence of the same. Here are just a few characteristics of female investors that distinguish them from their male counterparts. • Women spend more time researching their investment choices than men do. This prevents them from chasing “hot” tips and trading on whims -- behavior that tends to weaken men's portfolios. • Men trade 45% more often than women do, and although men are more confident investors, they tend to be overconfident. By trading more often -- and without enough research -- men reduce their net returns. But by trading less often, women get better returns and also save on transaction costs and capital gains taxes. • A study by the University of California at Davis found that women's portfolios gained 1.4% more than men's portfolios did. What's more, single women did even better than single men, with 2.3% greater gains. • Women tend to look at more than just numbers when deciding whether to invest in a company. They invest in companies they feel good about ethically and personally. And companies with good products, good services, and ethics tend to have better long-term prospects -- and face fewer lawsuits. Women, with their capability for patience and good decision-making, epitomize the Foolish investment philosophy and the investment practices of the most successful investor in history: Warren Buffett. While men are brash, compulsive, and overly daring, women tend to be more studious, skeptical, and reasonable. This indispensable volume from the multimedia financial education company Motley Fool offers essential

advice for every investor hoping to turn today's savings into wealth for a better tomorrow.

Being Warren Buffett Nic Liberman 2015-05-07 Is there a secret to Warren Buffett's success? Surprisingly, little is known about what really makes Warren Buffett so extraordinarily successful as an investor. So Nic Liberman set out to uncover the essence of his genius and, along the way, found that this cheerful billionaire has a unique combination of character traits. Being Warren Buffett is not a guide to investing. It is a thought-provoking investigation into the value of self-awareness, and how pairing our personalities to our endeavours could be the key to leading a fulfilling life.
