Wordsmith Pamela Sh Arlov 2012-04-27 ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Wordsmith was written to counter students' objections to textbooks being too dry, too irrelevant, and too big, and is Pearson's value-priced option that students will appreciate across the developmental writing curriculum. Pamela Arlov wrote the Wordsmith series for instructors who genuinely want to connect with their students. To engage students and enable instructors to meet students where they are, Pam Arlov provides students with just the right balance of instruction and practice via relevant instruction, plenty of visuals, and an inviting writing style that students really respond to. Wordsmith covers the rhetorical modes, is realistic, and does not overwhelm students with too much information.

Wordsmith Craftsman Grd 10 + Janie B. Cheaney 2004-01-01

Wordsmith Pamela Arlov 2010-06-04 The Wordsmith series is the value-priced option that students will appreciate while mastering key writing and grammar skills. Pam Arlov wrote a textbook series that counters many of the objections students had about textbooks, such as: Students find textbooks dry and tedious. Arlov includes thought-provoking chapter openers, plenty of visuals, and a conversational, engaging writing style that students really respond to. Students find textbooks irrelevant to their lives. Arlov's coverage of the rhetorical modes is realistic and models real-life writing. She includes "Real Writing" examples in the modes chapters to make Wordsmith relevant to students' lives. Students become frustrated if the entire text is not used in class. Wordsmith is 100 pages briefer than similar texts on the market and an affordable option. This more concise approach also does not overwhelm students with too much information. Wordsmith provides students with just the right balance of instruction and practice.

Good with Words Patrick Barry 2019-05-31 If your success at work or in school depends on your ability to communicate persuasively in writing, you'll want to get Good with Words. Based on a course at the University of Michigan Law School students have called "hands down the best class I have taken in law school," "perhaps the most important course I took," and "always dynamic and interesting," the book brings together a collection of concepts, exercises, and examples that have also helped improve the advocacy skills of people pursuing careers in many other fields--from marketing, to management, to medicine.

The Sense of Style Steven Pinker 2014-09-30 "Charming and erudite," from the author of Rationality and Enlightenment Now, "The wit and insight and clarity he brings . . . is what makes this book such a gem." —Time.com Why is so much writing so bad, and how can we make it better? Is the English language being corrupted by texting and social media? Do the kids today even care about good writing—and why should we care? From the author of The Better Angels of Our Nature and Enlightenment Now. In this entertaining and eminently practical book, the cognitive scientist, dictionary consultant, and New York Times–bestselling author Steven Pinker rethinks the usage guide for the twenty-first century. Using examples of great and gruesome modern prose while avoiding the scolding tone and Spartan tastes of the classic manuals, he shows how the art of writing can be a form of pleasurable mastery and a fascinating intellectual topic in its own right. The Sense of Style is for writers of all kinds, and for readers who are interested in letters and literature and are curious about the ways in which the sciences of mind can illuminate how language works at its best.

Writing Your Journal Article in Twelve Weeks Wendy Laura Belcher 2009-01-21 `A comprehensive, well-written and beautifully organized book on publishing articles in the humanities and social sciences that will help its readers write forward with a first-rate guide as good company.' - Joan Bolker, author of Writing Your Dissertation in Fifteen Minutes a Day `Humorous, direct, authentic ... a seamless weave of experience, anecdote, and research.' - Kathleen McHugh, professor and director of the UCLA Center for the Study of Women Wendy Laura Belcher's Writing Your Journal Article in Twelve Weeks: A Guide to Academic Publishing Success is a revolutionary approach to enabling academic authors to overcome their anxieties and produce the publications that are essential to succeeding in their fields. Each week, readers learn a particular feature of strong articles and work on revising theirs accordingly. At the end of twelve weeks, they send their article to a journal. This invaluable resource is the only guide that focuses specifically on publishing humanities and social science journal articles.

A Wordsmith's Work Mark R. Weaver 2017-03-23 Leaders, business owners or people who want to get things done effectively need strong writing communications skills. This book offers useful insights into how to make your writing more persuasive and memorable. These are the tips, advice points, and examples of an expert communicator. Whether it's persuading through newspaper "op-eds," speeches, or even during crisis communications, "A Wordsmith's Work" will improve the success of your message and enhance the reputation of your chosen messenger. Author Mark Weaver has counseled thousands of clients all across America. He worked one-on-one with the Great Communicator himself, President Ronald Reagan. NBC News in Charlotte, North Carolina called Weaver "one of the nation's foremost experts in crisis communications." His weapon of choice: powerful words. Words that persuade, inspire, and amuse. That's why Mark Weaver is sought out by corporate leaders, university presidents, and public officials all across America for high-level counsel on how to communicate better. Weaver's spot-on use of words that move people and change minds is on display throughout this book. Here are just a few examples: Describing his early work as a writer for hire: "The prose was workmanlike and passable for the tasks I was assigned. Some projects were fun to write. Others felt like ten miles of bad road." Pointing out the need to have a different viewpoint before writing an op-ed: "Op-eds advancing the conventional wisdom don't offer anything interesting to the readers of newspapers. We all agree motherhood is a

good thing. Everyone wants to thank our troops for their service. The duck-billed platypus is sadly misunderstood. Thus, op-eds about those topics are less likely to be published." Advising readers how to deal with an ambush interview from a TV news crew: "In old western movies, the good guy wore a white hat and the bad guy wore a black one. This basic narrative is in play during every ambush scenario. It's important for the principal to remember that it's not enough to be the good guy; it's equally important to act like the good guy." Lamenting the difficulty of writing: "Each time a notion pesters me into action and I finally sit down to square off against a menacing blank screen and toothy keyboard, I boldly aspire yet again to the calling of wordsmith. This book chronicles those journeys of composition." When you read "A Wordsmith's Work," you'll be moved, persuaded, and you may even laugh out loud. If you're interested in more effective speeches, news media relations, or communications, then this is the book for you. Perhaps this book and its author's perspective is best summed up by U.S. Congressman Bill Johnson, who wrote the edition's forward. Johnson's key point: "There's no more apt term to describe Mark Weaver than what's reflected in the title of this book - he is truly a "wordsmith." He's a master at understanding the cultural, societal, and media influences of the day. He takes that knowledge and crafts a message that cuts through the confusion, so people see the clear truth." Praise for "A Wordsmith's Work" National Fraternal Order of Police President Chuck Canterbury: "While Mark Weaver has used his considerable skills as a wordsmith to defend crime victims and law enforcement officers all across America, the tips and examples in this book can help everyone communicate better." U.S. Congressman Brad Wenstrup: "This collection of Mark Weaver's work shows his innate ability to capture the art of messaging. By combining logic, facts, and, often, humor, Mark hits home with his audience." Former Ohio Attorney General Betty Montgomery: "Rich and thoughtful commentary on major issues of the last three decades, this book and its author reflect a depth of experience and thought that make it well worth reading!"

Academic Writing and Publishing James Hartley 2008-04-22 Academic Writing and Publishing will show academics (mainly in the social sciences) how to write and publish research articles. Its aim is to supply examples and brief discussions of recent work in all aspects of the area in short, sharp chapters. It should serve as a handbook for postgraduates and lecturers new to publishing. The book is written in a readable and lively personal style. The advice given is direct and based on up-to-date research that goes beyond that given in current textbooks. For example, the chapter on titles lists different kinds of titles and their purposes not discussed in other texts. The chapter on abstracts instructs the reader on writing structured abstracts from the start.

Do I Make Myself Clear? Harold Evans 2017-05-16 *New York Times Bestseller * One of NPR's Best Books of 2017 A wise and entertaining guide to writing English the proper way by one of the greatest newspaper editors of our time. Harry Evans has edited everything from the urgent files of battlefield reporters to the complex thought processes of Henry Kissinger. He's even been knighted for his services to journalism. In DO I MAKE MYSELF CLEAR?, he brings his indispensable insight to us all in his definite guide to writing well. The right words are oxygen to our ideas, but the digital era, with all of its TTYL, LMK, and WTF, has been cutting off that oxygen flow. The compulsion to be precise has vanished from our culture, and in writing of every kind we see a trend towards more--more speed and more information but far less clarity. Evans provides practical examples of how editing and rewriting can make for better communication, even in the digital age. DO I MAKE MYSELF CLEAR? is an essential text, and one that will provide every writer an editor at his shoulder.

Loose Leaf Version for Environmental Science Eldon Enger 2021-01-25 Environmental Science: A Study of Interrelationships is a full-color, introductory environmental science text that is known for being concise, conceptual, and value-priced. The approach and reading level cover the basic concepts without overloading students with too much detail. The authors reinforce the text's central theme of "interrelationships" by providing a historical perspective, information on economic and political realities, discuss the role of different social experiences, and integrate this with the crucial science to describe the natural world and how we affect it.

Dreyer's English Benjamin Dreyer 2019-01-29 NEW YORK TIMES BESTSELLER • A sharp, funny grammar guide they'll actually want to read, from Random House's longtime copy chief and one of Twitter's leading language gurus NAMED ONE OF THE BEST BOOKS OF THE YEAR BY O: The Oprah Magazine • Paste • Shelf Awareness "Essential (and delightful!)"—People We all write, all the time: books, blogs, emails. Lots and lots of emails. And we all want to write better. Benjamin Dreyer is here to help. As Random House's copy chief, Dreyer has upheld the standards of the legendary publisher for more than two decades. He is beloved by authors and editors alike—not to mention his followers on social media—for deconstructing the English language with playful erudition. Now he distills everything he has learned from the myriad books he has copyedited and overseen into a useful guide not just for writers but for everyone who wants to put their best prose foot forward. As authoritative as it is amusing, Dreyer's English offers lessons on punctuation, from the underloved semicolon to the enigmatic en dash; the rules and nonrules of grammar, including why it's OK to begin a sentence with "And" or "But" and to confidently split an infinitive; and why it's best to avoid the doldrums of the Wan Intensifiers and Throat Clearers, including "very," "rather," "of course," and the dreaded "actually." Dreyer will let you know whether "alright" is all right (sometimes) and even help you brush up on your spelling—though, as he notes, "The problem with mnemonic devices is that I can never remember them." And yes: "Only godless savages eschew the series comma." Chockful of advice, insider wisdom, and fun facts, this book will prove to be invaluable to everyone who wants to shore up their writing skills, mandatory for people who spend their time editing and shaping other people's prose, and—perhaps best of all—an utter treat for anyone who simply revels in language. Praise for Dreyer's English "Playful, smart, self-conscious, and personal . . . One encounters wisdom and good sense on nearly every page of Dreyer's English."—The Wall Street Journal "Destined to become a classic."—The Millions "Dreyer can help you . . . with tips on punctuation and spelling. . . . Even better: He'll entertain you while he's at it."—Newsday

McGraw-Hill's Concise Guide to Writing Research Papers Carol Ellison 2010-01-29 Write an effective research paper--no sweat! The words "research paper" may send a chill down your spine. You're thinking about the hours of research and the days of writing ahead-and that's after wringing your hands about the topic! Never fear, this concise resource will guide you through the process step-by-step and make the experience painless. With veteran composition instructor Carol Ellison's advice, you'll be able to create a thought-provoking research paper that will get you the best possible grade! McGraw-Hill's Concise Guide to Writing Research Papers gives you the tools to: Organize a helpful outline before you write Find solid evidence at the library and on the Internet to back up your thesis Write effective sentences to support your topic Replace common phrases with attention-drawing wording to properly articulate your ideas Use smooth transitions between paragraphs to keep your paper flowing Craft eloquent summaries and conclusions Avoid accidental incidences of plagiarism Run a thorough check over your research paper before you hand it in

Educated Tara Westover 2018-02-20 #1 NEW YORK TIMES, WALL STREET JOURNAL, AND BOSTON GLOBE BESTSELLER • One of the most acclaimed books of our time: an unforgettable memoir about a young woman who, kept out of school, leaves her survivalist family and goes on to earn a PhD from Cambridge University "Extraordinary . . . an act of courage and self-invention."—The New York Times NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW • ONE OF PRESIDENT BARACK OBAMA'S FAVORITE BOOKS OF THE YEAR • BILL GATES'S HOLIDAY READING LIST • FINALIST: National Book Critics Circle's Award In Autobiography and John Leonard Prize For Best First Book • PEN/Jean Stein Book Award • Los Angeles Times Book Prize Born to survivalists in the mountains of Idaho, Tara Westover was seventeen the first time she set foot in a classroom. Her family was so isolated from mainstream society that there was no one to ensure the children received an education, and no one to intervene when one of Tara's older brothers became violent. When another brother got himself into college, Tara decided to try a new kind of life. Her quest for knowledge transformed her, taking her over oceans and across continents, to Harvard and to Cambridge University. Only then would she wonder if she'd traveled too far, if there was still a way home. "Beautiful and propulsive . . . Despite the singularity of [Westover's] childhood, the questions her book poses are universal: How much of ourselves should we give to those we love? And how much must we betray them to grow up?"—Vogue NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • O: The Oprah Magazine • Time • NPR • Good Morning America • San Francisco Chronicle • The Guardian • The Economist • Financial Times • Newsday • New York Post • theSkimm • Refinery29 • Bloomberg • Self • Real Simple • Town & Country • Bustle • Paste • Publishers Weekly • Library Journal • LibraryReads • Book Riot • Pamela Paul, KQED • New York Public Library

Why They Can't Write John Warner 2018-12-03 Combining current knowledge of what works in teaching and learning with the most enduring philosophies of classical education, this book challenges readers to develop the skills, attitudes, knowledge, and habits of mind of strong writers.

Building Great Sentences Brooks Landon 2013-06-25 Based on the bestselling series from The Great Courses, Building Great Sentences celebrates the sheer joy of language—and will forever change the way you read and write. Great writing begins with the sentence. Whether it's two words ("Jesus wept.") or William Faulkner's 1,287-word sentence in Absalom! Absalom!, sentences have the power to captivate, entertain, motivate, educate, and, most importantly, delight. Yet, the sentence-oriented approach to writing is too often overlooked in favor of bland economy. Building Great Sentences teaches you to write better sentences by luxuriating in the pleasures of language. Award-winning Professor Brooks Landon draws on examples from masters of long, elegant sentences—including Don DeLillo, Virginia Woolf, Joan Didion, and Samuel Johnson—to reveal the mechanics of how language works on thoughts and emotions, providing the tools to write powerful, more effective sentences.

Wordsmith Pamela Arlov 2010 Giving readers the tools and know-how to confidently write an effective essay, this complete, step-by-step guide to the composition and grammar structure of an essay addresses all parts of the classic five-paragraph essay - thesis, introduction, body and conclusion - in separate sections, and includes myriad examples and practice exercises to help hone each element. Direct and conversational, it includes an entire section on grammar, and a selection of twenty readings - complete with reading comprehension questions and writing assignments. Presents the writing steps in the order in which writers use them; i.e., begins with a chapter on prewriting, moves on to individual chapters on the thesis, introduction, supporting paragraphs, and conclusion - then follows through chapters on revising and proofreading. Offers a clear, step-by-step presentation of grammar that is easily referenced. Provides a varied and relatively short selection of readings that can be used for comparison in structure and content. Adds levity and interest to the subject with lighthearted, fun and informative boxes, and motivates users to hone their writing skills with numerous journal, paragraph, and essay writing assignments throughout. For anyone wishing to develop their composition/developmental essay writing skills.

Here for It R. Eric Thomas 2020 "R. Eric Thomas didn't know he was different until the world told him so. Everywhere he went--whether it was his rich, mostly white, suburban high school, his conservative black church, or his Ivy League college in a big city--he found himself on the outside looking in. In essays by turns hysterical and heartfelt, Eric redefines what it means to be an 'other' through the lens of his own life experience"--Publisher marketing.

Wordsmith Grd 7-9 Janie B. Cheaney 2004-01-01 A creative writing course for grade levels 7-9, that will give students the tools and motivation for expressing their thoughts and experiences on paper.
